Congressional Affairs

SUBJECT: House Armed Services Committee request for
briefing on Espionage Threat to Bloc Embassies

1. The Agency has been requested to brief the House Armed Services Committee on the espionage threat to our Embassies throughout the Bloc countries on 5 August. They initially requested a 23 July date, however, they were willing to reschedule as a result of Mr. Donnelly's guidance pending an administration position on embassy security (see attached).

2. The Committee is asking for a short ten-minute briefing on the human espionage threat to any Bloc Embassy, recruitment in non-Bloc countries, and what can be done about the problem. The session would then open for questions.

3. The time and room have not yet been determined. I will contact you with the details when they have been determined. If you have any questions, please contact me on
